Route Information

Baslow Edge short walk - April 2026

Baslow Edge Short Walk From Baslow.

Baslow Edge is a beautiful outcrop of gritstone rocks in the Peak District, which makes it one of the Peak District Edges! There are several popular edge walks in the Peak District, and Baslow Edge is one. It's not as busy as well-known Stanage Edge or nearby Curbar Edge, but has equally stunning views and is certainly worth adding to your list.

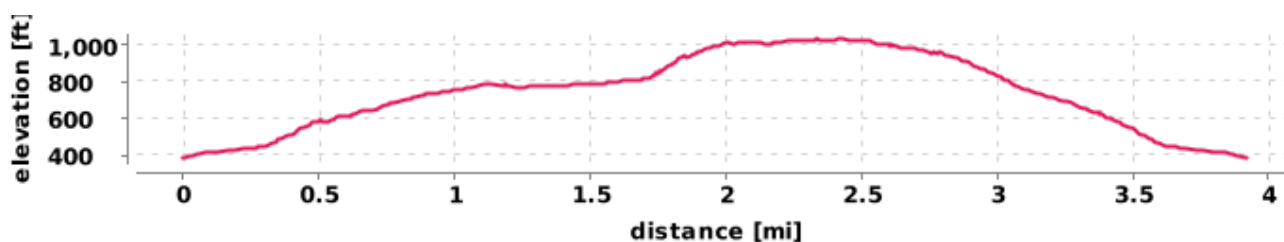

This short walk from the idyllic town of Baslow takes you on a route exploring both below and above Baslow Edge so you have a fantastic perspective from all angles! Once you've enjoyed your walk, there's plenty more to explore around Baslow itself and maybe pop in one of the pubs or cafes.

Walk highlights: Views of Baslow Edge from below and above, views towards Curbar Edge.
